Object Lessons in Action: A Glimpse into the Book

To give you a taste of the captivating lessons found in "50 Great Object Lessons That Bring The Bible To Life," here is a brief excerpt from the lesson "The Parable of the Lost Sheep":

"Imagine yourself as a shepherd with a flock of a hundred sheep. You love each one dearly and care for them with all your heart. But one day, as you're leading them to pasture, you realize that one of your sheep is missing. What do you do? Do you give up on the lost sheep and continue with the rest of the flock? Or do you leave the ninety-nine behind and go in search of the one that's gone astray?"

"This is the dilemma faced by the shepherd in the parable of the lost sheep. And just as the shepherd in the parable rejoiced when he found his lost sheep, so too does our heavenly Father rejoice when even one sinner repents and comes to know Him."
