In her book, *Antarctica Becomes Her: Photo Essay Extreme Latitude*, Barbara Summitt recounts her experiences as an artist, mother, and volunteer on an Antarctic expedition. Her adventure is a tribute to scientific research and a celebration of the beauty of this magnificent continent.

A Journey of Discovery

Summitt's journey begins with a sense of trepidation and wonder. She is a woman in her fifties, traveling alone to the most remote and inhospitable continent on Earth. But she is also a seasoned artist and adventurer, and she is drawn to the Antarctic's icy wilderness like a moth to a flame.

As Summitt travels deeper into the Antarctic, she encounters a landscape of stunning beauty. She photographs towering icebergs, vast glaciers, and snow-capped mountains. She witnesses the playful antics of penguins and seals, and the majestic flight of albatrosses. And she learns about the

important scientific research that is being conducted on this fragile continent.

Summitt's photographs are a testament to the beauty and wonder of Antarctica. But they are also a reminder of the fragility of this ecosystem. Summitt witnesses firsthand the effects of climate change, and she is deeply concerned about the future of this pristine continent.

A Call to Action

Antarctica Becomes Her is more than just a photo essay. It is a call to action. Summitt urges us to protect this incredible continent for future generations. She reminds us that Antarctica is a shared heritage, and that we all have a responsibility to preserve its beauty and wonder.

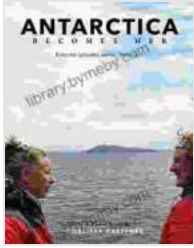

Summitt's book is a powerful and moving tribute to the beauty of Antarctica. It is also a timely reminder of the importance of protecting this fragile continent for future generations.

About the Author

Barbara Summitt is an artist, writer, and educator. She has traveled extensively throughout the world, and her work has been exhibited in galleries and museums around the globe. Summitt is a passionate advocate for the environment, and she has dedicated her life to raising awareness about the importance of protecting our planet.
