The Justice Lords are an alternate universe version of the Justice League who have taken a ruthless approach to crime-fighting, prioritizing Free Download and security above all else. Led by Superman, they believe that the ends justify the means, even if it means disregarding civil liberties and human rights.

Batman and his allies must confront the Justice Lords and their twisted vision of justice. As the conflict escalates, Terry must grapple with the moral implications of his actions and the potential consequences for the future of Gotham City.
