There are 34 different Talent Themes, and each one represents a different aspect of your personality. Some Talent Themes are more common than others, but everyone has a unique combination of Talent Themes that makes them special.

To learn more about your Talent Themes, you can take the CliftonStrengths assessment. This assessment will identify your top five Talent Themes and

provide you with a detailed report on your strengths.

Once you know your top five Talent Themes, you can start to explore how they work together to create your unique strengths. For example, if you have the Talent Themes of Achiever, Competition, and Strategic, you may be a highly motivated and driven individual who is always looking for ways to improve.

Or, if you have the Talent Themes of Empathy, Harmony, and Includer, you may be a compassionate and caring person who is always looking for ways to help others.

No matter what your combination of Talent Themes, you have a unique set of strengths that you can use to achieve great things.

How Your Talent Themes Influence Each Other

Your Talent Themes do not work in isolation. They interact with each other in complex ways to create your unique strengths.

For example, your Achiever Talent Theme may drive you to set high goals for yourself. Your Competition Talent Theme may give you the drive to achieve those goals. And your Strategic Talent Theme may help you to develop a plan to achieve your goals.

Or, your Empathy Talent Theme may lead you to be compassionate and caring towards others. Your Harmony Talent Theme may help you to build strong relationships. And your Includer Talent Theme may lead you to be open to new ideas and perspectives.

The way that your Talent Themes interact with each other is unique to you. This is what makes you special.

Developing Your Strengths

Once you understand how your Talent Themes work together, you can start to develop your strengths.

Here are a few tips:

- **Identify your strengths.** The first step to developing your strengths is to identify them. Once you know what your strengths are, you can start to focus on developing them.
- **Play to your strengths.** Once you know your strengths, you can start to use them to your advantage. This means focusing on activities that allow you to use your strengths and avoiding activities that do not.
- **Develop your strengths.** You can also develop your strengths by practicing them. The more you use your strengths, the stronger they will become.

Developing your strengths takes time and effort, but it is worth it. When you develop your strengths, you become more confident, more productive, and more successful.

Your Talent Themes are a gift. They are the natural patterns of thought, feeling, and behavior that you use to perform at your best. When you understand how your Talent Themes work together, you can start to develop your strengths and achieve great things.
