

Good Night Stories for Rebel Girls: Empowering Girls Through Bedtime Stories

Inspiring a New Generation of Leaders

In a world where girls are often told to be quiet, to conform, and to play it safe, Good Night Stories for Rebel Girls is a refreshing and much-needed antidote. This collection of 100 bedtime stories about the lives of extraordinary women throughout history is designed to inspire girls to dream big and to never give up on their goals.

The book's creators, Elena Favilli and Francesca Cavallo, wanted to create a book that would help to counteract the negative messages that girls often receive about themselves and their potential. They wanted to show girls that they could be anything they wanted to be, and that they should never let anyone tell them otherwise.
