The novel begins with a group of white-collar workers from different backgrounds and professions boarding a plane for a business trip. Little do they know that their flight will soon turn into a nightmare. As the plane flies over the ocean, it encounters a sudden and violent storm. The plane is tossed and turned by the wind, and lightning strikes the fuselage. The passengers are thrown from their seats, and the plane begins to fall apart.

The plane eventually crashes into the ocean, and the passengers are thrown into the water. They struggle to stay afloat, and many of them are injured. As they look around, they realize that they are alone on a deserted island. They have no food, no water, and no shelter. They are marooned.

The survivors must now learn to work together if they want to survive. They must overcome their own prejudices and fears, and they must learn to trust each other. They must also learn to find food, water, and shelter. As they struggle to survive, they begin to form bonds with each other, and they realize that they are not as different as they thought.

Marooned Team Survival Game White Collar Migrant Worker is a gripping and suspenseful novel that will keep you on the edge of your seat from beginning to end. It is a story of adventure, survival, and hope. It is a story that will stay with you long after you finish reading it.
