Uncover Stories of Selfless Acts and Unwavering Determination

Each chapter in this book tells the inspiring story of a different person who dedicated their life to serving others. From Harriet Tubman's courageous efforts to lead slaves to freedom on the Underground Railroad to Rosa Parks's refusal to give up her seat on a bus, these stories highlight the power of individuals to make a difference in the world.

Explore the Impact of Social Studies on Their Lives

The book also examines how social studies played a role in shaping the lives of these individuals. It shows how their understanding of history, geography, and economics informed their decisions and motivated them to

take action. By demonstrating the real-world applications of social studies, this book makes the subject come alive for readers.

Values-Based Education for Today's Students

"Not For Self But For Others" is not only an inspiring read but also a valuable resource for educators and parents. The stories in this book can be used to teach students about important values such as compassion, empathy, and social responsibility. By exposing students to these stories, we can help them develop into well-rounded individuals who are committed to making a positive impact on the world.

Join the Movement for a Better World

The individuals profiled in **"Not For Self But For Others"** serve as role models for all of us. Their stories inspire us to believe that we can make a difference, no matter how small our actions may seem.
