

# Vietnam Forgotten Army: The Untold Story of the Vietnamese People's Army of Liberation

By Mark Moyar

Vietnam Forgotten Army is the untold story of the Vietnamese People's Army of Liberation (VPA), a group of Vietnamese soldiers who fought against the United States during the Vietnam War. The book tells the story of the VPA from its inception in 1944 to its dissolution in 1975.

The VPA was founded by Ho Chi Minh, the leader of the Vietnamese Communist Party. Ho Chi Minh believed that the only way to achieve independence for Vietnam was through armed struggle. The VPA was initially a small force, but it grew in size and strength over time. By the end of the Vietnam War, the VPA had become one of the most powerful armies in Southeast Asia.

The VPA fought a long and bloody war against the United States. The war began in 1955 and lasted for 20 years. The VPA used guerrilla warfare tactics to fight the United States. They would attack American forces from the jungle and then disappear into the countryside. The Americans were unable to defeat the VPA, and the war ended in 1975 with the withdrawal of American troops from Vietnam.

The VPA played a major role in the victory of the Vietnamese people over the United States. The VPA was a well-trained and disciplined force that was able to defeat the United States despite the fact that the United States was the most powerful country in the world. The VPA's victory is a testament to the courage and determination of the Vietnamese people.

Vietnam Forgotten Army is a fascinating and important book that tells the untold story of the VPA. The book is a must-read for anyone who wants to understand the Vietnam War and the role that the VPA played in the victory of the Vietnamese people.

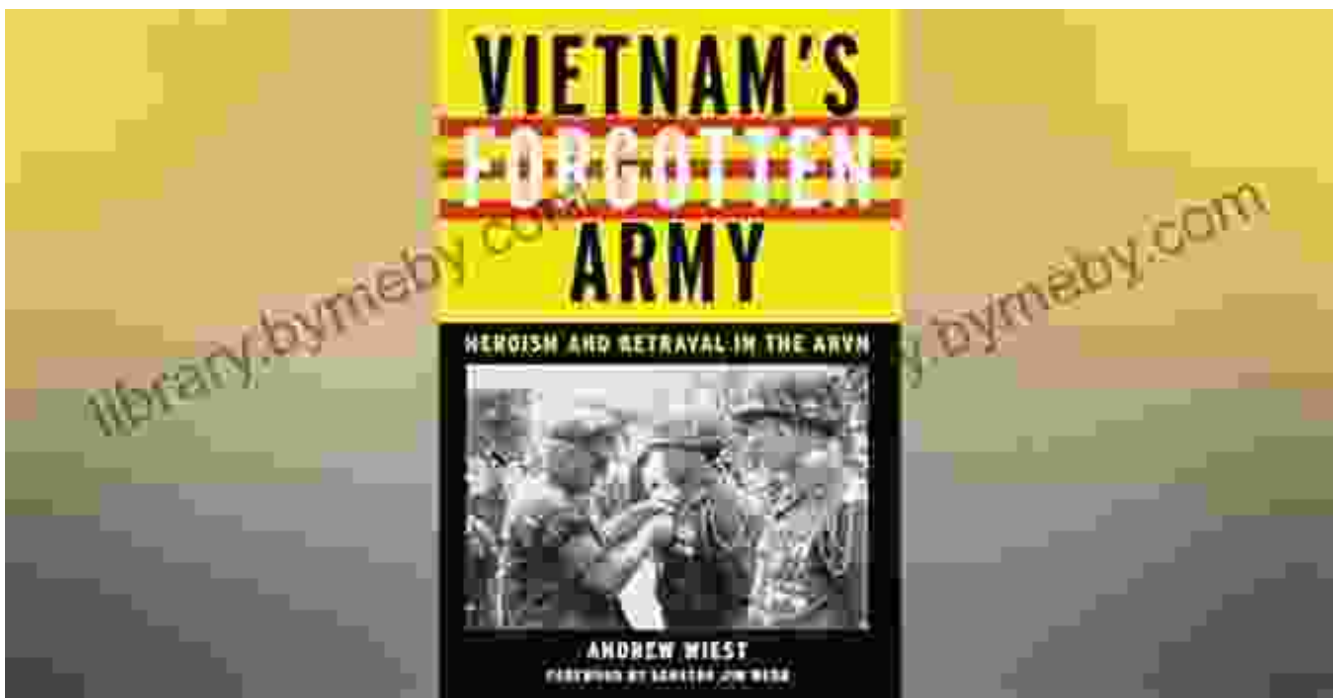

## **Reviews**

"Vietnam Forgotten Army is a major contribution to the history of the Vietnam War. Moyar has written a comprehensive and well-researched account of the VPA, the North Vietnamese army that fought against the United States. The book is a must-read for anyone who wants to understand the war from the Vietnamese perspective." - Stanley Karnow, author of Vietnam: A History

"Moyar's Vietnam Forgotten Army is a long overdue account of the North Vietnamese army's role in the Vietnam War. The book is based on extensive research and provides a valuable new perspective on the

conflict." - George C. Herring, author of America's Longest War: The United States and Vietnam, 1950-1975

"Vietnam Forgotten Army is a must-read for anyone who wants to understand the Vietnam War. Moyar has written a comprehensive and well-researched account of the VPA, the North Vietnamese army that fought against the United States. The book is a valuable contribution to the history of the war." - David Halberstam, author of The Best and the Brightest
